The PTO did not receive the following
listed item(s) check

CORRECTED TRANSMITTAL OF AMENDMENT

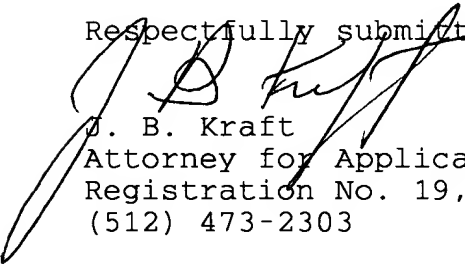

On this date, May 11, 2005, the attached Amendment, transmittal letter, and check for a two month time extension was mailed to the above address. We have discovered that

PATENT
09/966,005

while the Amendment was completely correct, the transmittal letter had a misplaced digit in the serial number so that it incorrectly read ~~09/666,005~~ instead of the correct 09/966,005.

Would you kindly substitute attached transmittal letter for the one previously sent on this date with the incorrect serial number.

Respectfully submitted,
